Dear choral management, conductors and singers,
Dear Mr Lindberg,

The 6th World Choir Games Graz 2010 are over now. 472 participating groups, more than 20 000 singers from 83 nations celebrated together with us not only the world's largest choir competition so far but also an irretrievable festival of choral music. Our slogan „Singing together brings nations together“ was brought to life in Shaoxing in the most beautiful way.

You and your choir have been part of this international festival of choral music and also part of the worldwide choir community. Your singing proved that nations can peacefully compete with each other. We thank you cordially that you have been our guests at the 6th World Choir Games in Shaoxing and enriched our choral Olympic movement with your art.

Please find enclosed the free DVD „Pictures of Shaoxing“, featuring the most beautiful moments of the 6th WCG, as a small “Thank you” for your efforts.

The multitude of outstanding choirs which we experienced during the competitions and encounters has once again shown in an impressive way the event's high musical level. We congratulate all of you to your great success.

The results are a professional and sound confirmation that your intensive work during the last weeks and months paid off. We highly appreciate every accomplishment of the choirs, no matter if they won bronze, silver or gold diplomas or medals. Our special congratulations go to our champions who proved that they belong to the best choirs of the whole world.

We are happy to receive your evaluation of the event and about every proposal that helps us to improve the World Choir Games. Please let us know if you noticed anything that you would like to tell us.
