I have often walked down this street before But the pavement always

li-lac trees in the heart of town? Can you hear a lark in

That any second you may suddenly appear! People stop and stare, they don't

That any second you may suddenly appear! People stop and stare, they don't

That any second you may suddenly appear! People stop and stare, they don't

That any second you may suddenly appear! People stop and stare, they don't
